**Past Governor of Lodge Receives Merit Award**

Junior Past Governor Douglas Dixon of Torrance Moose Lodge 785 received the Governor's Award of Merit at a meeting of the South Central District of the California Moose Association Aug. 3.

The meeting was at the Torrance Moose home with 70 men and women present. The award was presented by Ray Hoffman, president of the South Central District. Hoffman complimented Dixon on the achievements of the Torrance Moose Lodge during his 1961-1962 term of office as Governor of the local unit of the family fraternity.

Past Governor Dixon said in his acceptance statement that the award was earned by the many hard-working members of the lodge and only bestowed upon him because he was fortunate enough to be at the helm during the very progressive year.

Occasion for the meeting of the California Moose Association unit was the monthly South Central District Executive Board meeting. Dan Quisley, district vice president, aided in the planning of the future programs of the district.

Wynn Powell, secretary

of Long Beach Moose Lodge and program chairman of the forthcoming California Moose convention to be held in Long Beach Sept. 26 to 30, gave a report on the convention plans and programs. There were 17 of the 18 lodges in the district represented at this planning session.

The next meeting of the Moose District will be at the Costa Mesa Lodge Aug. 19 at 2 p.m. The family fraternity meeting will be attended by members and their families. The Costa Mesa Women of the Moose will serve dinner following the short business meeting.
